

PLANNED GIVING OPPORTUNITIES

YOUR IMPACT ON DETROIT'S FUTURE

A planned gift to Pope Francis Center is a lifelong investment in humanity. By including Pope Francis Center in your estate planning, you will make a lasting impact on the future of Detroit and our mission to end chronic homelessness.

WHAT IS PLANNED GIVING?

Planned giving is a forward-thinking approach to charitable giving that can benefit you now or in the future. It is the transfer of assets to a charitable organization during your lifetime or as part of an estate plan, and oftentimes these assets are not liquid and do not have tax consequences.

Planned giving allows you to plan for your family first. Then you can include Pope Francis Center to receive a specific dollar amount or percentage of your residual estate, or you can name us as a contingent beneficiary.
