Detroit Mercy*

OUR MISSION

Pope Francis Center exists to provide meals, supportive services, and housing assistance to Detroit community members in need, especially those experiencing homelessness.

OUR VISION

We envision a Detroit without homelessness, where every person has the resources for sustained stability.

OUR CORE VALUES

LOVE IN ACTION

Love is an essential part of our service, which we express by walking with our guests on their journey towards stability.

DIGNITY IN SERVICE

We recognize the inherent dignity in every guest and provide dignity through our services.

TRANSFORMATIONAL HEALING

We recognize trauma and work together towards our common goal of healing in mind, body and spirit.

COMMUNITY FIRST

We believe in the interconnectedness of humanity and strive to provide a safe place for all to foster kinship.

OUR IMPACT

With your support, we were able to care for our Detroit's most vulnerable population. Your generous donations and hours of volunteering have provided necessary meals and the following critical services, which restored hope and dignity to our guests in need.

HYGIENE

Daily access to running water, private showers, hygiene products and clean clothing gives guests the opportunity to restore their spirits and protect themselves against a variety of health concerns.

NUTRITION

Guests are greeted every day with two hot meals that are packed with nutrition and made from scratch. Thoughtfully crafted by Chef Hollywood and served by amazing volunteers, these meals help nourish guests' physical, mental and social health.

CLINICS

Through a rotating schedule of daily clinics, our Center partners provide critical services our guests need – such as medical, dental, legal and podiatric support – all without charge.

HOUSING ADVOCACY

Our dedicated team of housing specialists work closely with partners to prepare those experiencing homelessness for a successful transition into permanent supportive housing.

VOLUNTEERS

Our volunteers are the heartbeat of our work. Their selfless service and ability to see humanity in our guests help make the Center a welcoming space. Between serving meals, doing laundry and distributing toiletries, we're thankful for all that they do!

MOVING IN, MOVING FORWARD

Samuel isn't one to give up on hope. In fact, it was his never-ending optimism, along with patience and trust in others, that got him through his journey out of homelessness.

The moment Samuel began his retirement — an opportunity he'd been looking forward to now that he was in his sixties — a fire took his home.

Rather than enjoying a new and relaxing chapter of his life, Samuel had to navigate the sudden experience of homelessness. He reached out to his employer who welcomed him back, but his retirement status limited the amount of hours he could work. To help save money, Samuel spent the first few nights in an abandoned truck. He then switched to a shelter once he learned it was a necessary step to apply for housing assistance.

Samuel has many family members nearby who encouraged him to stay with them until housing came through, but he didn't want to be a burden.

"I see my family and talk to them all the time," Samuel says. "The only reason I decided not to stay with my people is because I don't want to depend on them. Situations might get testy, and we could end up with animosity. I knew I had God's help, so I said I'll do this on my own." Samuel continued staying in a shelter in hopes of qualifying for housing.

One day while walking to the park to pass the time, Samuel met a PFC guest. "When I told him how my day usually goes, he said, 'Man, I got better plans for you,'" Samuel recalls. "He said, 'Get up in the morning and come down with me, and you'll see the people. They really care. They really, genuinely care.' So I came down with him, and I love it now. I can't let it go."

Samuel became a regular guest at the Center and made the most of our services. He would arrive when the doors opened, enjoy a hot breakfast and lunch, visit the medical clinic when available and chat with guests who have become his good friends.

That's why you always see me smiling. I'm thankful for the help. Everyone here is wonderful, and they're doing a great job. They're very, very helpful. They have helped me out a lot."

Our staff soon learned that Samuel was waiting for housing. When they checked his application status to provide an update, they learned that his six months of staying at a shelter weren't documented, therefore, his housing process never officially began.

Chris Harthen, our Director of Housing Advocacy, and Ben Assaff, our Case Manager and Housing Advocate, jumped in right away to help move the situation forward.

"Chris and Benny really helped out the housing situation," Samuel says. "When I came here, I didn't know anything about navigating any of this, but Chris and Benny started taking care of that with me."

"Our concern is always that a guest will lose hope. But, Sam has always been very easygoing and stayed calm throughout hearing the news," Chris says. "We contacted the agency for his case and brought them to the Center for an official intake that would put Sam on a housing list. They did that just before Christmas, and because of that, Sam will be spending this holiday season in a great apartment."

Samuel is currently staying in a studio unit in his new apartment complex while waiting for his one-bedroom unit to become available. Until then, he has been moving in small appliances and furniture pieces and looking forward to building a new home.

"I didn't like the situation I was in, but I had to deal with what it was. I try to make the best of things. That's why you always see me smiling," Samuel reflects. "I'm thankful for the help. Everyone here is wonderful, and they're doing a great job. They're very, very helpful. They have helped me out a lot."

A FAMILY FINALLY SAFE & HOME

An update from the 2023 Building Bridges Gala

It was a blessing to have had Kenethia and her children join us at this year's Building Bridges Gala. During the program, Kenethia was featured in a video highlight where she invited us into her home and shared the experiences of her family's housing journey.

Their story tells of a loving mother — a primary caregiver for her three young children and disabled mother — who was urgently seeking a new living situation. More so, an environment that would ensure her family's safety, education and paths to success.

When Kenethia first came to the PFC team this past winter, she was staying at a motel in an unsafe neighborhood, where she, her three young children and disabled mother were all crammed into one room. They were previously renting a house until the landlord evicted the family, then began bouncing between the motel and a family friend's home. There were too many out-of-service utilities at the friend's home, so Kenethia moved everyone to the motel which was their only option. This was a difficult decision to make considering its dangerous location and the now 90-minute commutes it took to get the children to and from school.

It seemed as if one unfortunate situation would lead to another, but Kenethia pushed on and continued to fight for her family's stability.

One day on the bus, she heard about the Pope Francis Center. She visited the Center and met a guest who suggested she talk to our team for assistance. Chris Harthen, our Director of Housing Advocacy, heard her story and moved quickly on the case.

"It was not a situation that we see often, but it was clearly something that we had to try and do something about," Chris recalls.

With help from PFC partners, we were able to help Kenethia turn her situation around. Not only were we able to secure temporary housing, but it was also a safe apartment that could comfortably fit the whole family and was within walking distance to their school.

Kenethia and two of her children watching their story unfold on screen at the 2023 Building Bridges.

Everyone quickly adjusted to the improved environment. Kenethia noticed major, positive changes in her children's emotional health, happiness and focus on school, and she thanks the donors, volunteers and PFC community for all their support.

"We live in a very generous community," Fr. Tim reflects. "It took no time for our donors and friends to rally around to make sure that we can get her into housing and away from this dangerous place and into a safe place that's closer to her kids' school."

"One concern we absolutely do not have is how good of a mother and caretaker she is," Chris says. "Kenethia is an inspirational person to be around. To understand what she has been through and to still raise 3 great kids and keep pushing to improve their

“*We thank this organization for all the assistance ... and with this transition into a final peace of mind. God bless you all.*”

lives is great to see.”

Today, Kenethia is a volunteer at the Center, in the process of receiving a housing voucher and on the waiting list for a new apartment — a complex we were once again connected to by our incredible partners. She continues to work with the PFC team and community to keep her family safe and housed.

"Thank you again," Kenethia says. "We thank this organization for all the assistance with the temporary housing. And with this transition into a final peace of mind. God bless you all."

"Every day, I see people come through our doors and tell us their stories," Fr. Tim shares. They all have stories and are in difficult situations. But it's so nice to be able to do something like this where we start to call our friends, and suddenly, somebody knows of this place, and somebody knows this one donor. I say this all the time but when we all do what we can, miracles happen. And this is a prime example."

“*He said, 'Come down with me, and you'll see the people. They really care. They really, genuinely care.'*”

BRIDGE HOUSING CAMPUS

This year marked tremendous progress in the construction of the Bridge Housing Campus. Located in the Core City neighborhood (I-96 at Warren), the Campus will be an innovative facility designed to eliminate chronic homelessness in Detroit while providing resources to not only our guests but the larger community as well.

Anchored by 40 studio apartments, the Campus will also have a cafeteria, gymnasium, library, classrooms, and health clinic. Additionally, it will feature an outdoor shelter with heated sidewalks and overhead radiant heaters to create a safe space for those that have normalized homelessness and struggle to come indoors.

Designed to help break the cycles of chronic homelessness, residents will have access to trauma-informed care involving medical, respite, psychological, addiction, social and job-readiness services. During their 90 to 120 day stay, residents will work with staff to ready themselves for the transition to permanent or permanent supportive housing. Pope Francis Center will continue to provide support to those that have moved into permanent housing through ongoing programming at the Campus and individualized case management.

As of June 2023, Pope Francis Center has raised over \$29.8 million of the \$40 million needed to build and support the Campus.

THRIVE CAMPAIGN

2021 Crowdfunding Campaign

The seventh annual Thrive Campaign was marked by incredible crowdfunding efforts, our first ever Thrive-K, and the commitment to ensure that our guests can access healthy, nutrient-packed and scratch-made meals year round.

Presented by Angels, Saints & Stuff, the Thrive-K was a 5K fun run and walk around Belle Isle, followed by a Finish Line Party that featured food from Smoke Ring BBQ, face-painting and many family activities.

Altogether, the health-inspired event and crowdfunding exceeded our goal of raising over \$100K in 30 days to support every guest's wellbeing.

BUILDING BRIDGES GALA

2023 Annual Gala

This year's 2023 Building Bridges Gala, held inside Detroit's iconic Ford Field, was an evening to remember. Together we celebrated the accomplishments we have made in the last year and looked ahead to the milestones soon to come.

Between more than 930 attendees who joined us downtown, and the 20 more who viewed the program virtually, we raised **over \$1.08M** in support of our neighbors experiencing homeless.

We proudly honored Jim Tobin and the J. Addison Bartush & Marion M. Bartush Family Foundation with the Zito-Breder Legacy Award for their longtime, outstanding support, as well as Nettie Seabrooks with the Lifetime Achievement Award for her dedication to our city and growth of PFC.

The program was hosted by Jay Towers and Fr. Tim and presented by Southeast Michigan Ford Dealers and Lear. The evening was full of inspiring moments, including the story of Kenethia's housing journey, that reminded us of the significant impact we can make when we come together to support those in need.

DONORS

A donation to the Pope Francis Center is more than a gift – it's a true expression of your care for our guests. Your gift feeds a hungry neighbor, provides warm clothing, gives access to medical and legal assistance, and brings guests closer to permanent housing.

Beyond that, your gift to the Center is a recognition of shared humanity and kinship. You are helping to create a circle of compassion that expands each day, meeting people at the margins of society and then erasing those margins until we recognize that we are all the same in God's eyes.

With the individuals and organizations listed on the following pages, we celebrate and give thanks for all who have given so that we might walk with our guests toward sustained stability.
