Figo Salon Fundraiser for Pope Francis Center

 Created by Pope Francis Center

Overview

Figo Salon is hosting their annual charity dinner and have selected Pope Francis Center (PFC) as this year's beneficiary! Please join us in supporting PFC's mission to end chronic homelessness in Detroit. Read below to learn more about PFC and how your support will make a difference.

Located in the heart of downtown Detroit, PFC's Day Center provides vital services to individuals experiencing homelessness. On an average day, we welcome 200+ guests and provide them with nutritious meals, showers, laundry, and access to doctors, dentists, lawyers, and housing providers through our free clinics. We've been serving Detroit's most vulnerable citizens since 1990, and we're committed to eradicating chronic homelessness in our city.

In the Fall of 2024, we will be embarking on a new journey with the opening of our Bridge Housing Campus (BHC). Bridge Housing Campus (BHC) is a holistic response to the complex and interconnected barriers to housing, based on years of research and best models for alleviating homelessness, finding that trauma-informed, intensive wrap-around care is what is needed to help people become and stay housed. BHC includes 40 studio apartments where residents will stay for 90 – 120 days with access to intensive medical, respite, psychological, addiction, social, and job-readiness services, as well as housing advocacy and support. We will continue to help residents navigate the complicated and disjointed housing resources available to create stability in their lives. Our goal is to support and empower our residents to become and stay housed upon leaving BHC, while creating a trusting long-term relationship to support them as they live independently.
