

The Lifeline is Pope Francis Center's Monthly Giving Program and a powerful way to sustain our programs and services throughout the year. The Lifeline builds on the successes we have achieved together and provides a steady and reliable source of support, enabling us to continue to offer an abundance of services with love and dignity.

## BY BECOMING A PART OF THE LIFELINE, YOU WILL:

### Simplify Giving

Monthly gifts are automatically processed, making it easy for you to contribute without having to remember to make separate gifts.

### Provide Steady Support

Your recurring gifts ensure that we can consistently fund our programs and respond to emerging needs.

### Make a Greater Impact

Small, regular gifts add up over time and enable us to invest in long-term projects and initiatives that drive meaningful change.

## HOW IT WORKS

Signing up is easy! You can choose the amount and frequency of your gift, and we will handle the rest.

Your contributions will be processed automatically each month, and you will receive a tax receipt at the end of the year for your records.

## JOIN THE LIFELINE TODAY

We are so excited to invite you to join The Lifeline and become a lifeline of support for our guests and residents. Your commitment enables us to invest in long term projects similar to the Bridge Housing Campus.
