

Where Hope Finds a Home

2024 Impact Report

Dear friend,

This year has been one of extraordinary growth at the Pope Francis Center. As we move forward in our vision of ending homelessness in Detroit, we continue to offer the basic needs to our guests that join us at our Day Center. **But we now also offer a path forward to those that are ready to welcome a new beginning.**

A key highlight of this year was the opening of our Bridge Housing Campus, a long held vision of what true transformation can look like. **Through the support and guidance of many, we opened the doors to our first residents on September 30, 2024.** We're already seeing the impact of this program - a space where individuals can heal and take the first steps toward achieving their true potential. **We are witnessing in real time the change that happens when people are treated with the dignity and respect they deserve and are given the time, space, and resources to rebuild their lives.** We're excited to see the continued progress of our residents as they navigate the program and continue on the path to sustained stability.

While the need in Detroit continues to rise, so does our resolve. The Bridge Housing Campus extends the reach of our mission, but it is also a reminder that our work is not finished. **Every meal served, every shower offered, and every bed provided is made possible by people like you**—partners who believe, as we do, that everyone deserves a place to call home.

As we reflect on this year and the impact of your support, I am deeply grateful for your generosity and trust. You have helped us move from vision to reality, from crisis response to long-term transformation. Together, we are proving that change is possible when compassion and action meet. **Thank you for continuing to be a part of the Pope Francis Center community and sharing your commitment to service with us.**

With my gratitude and prayers for you,

Fr. Tim McCabe, SJ
President & CEO

Supporter Spotlight: Michelle, Sean, & Beatrice Guibord

This summer, PFC has had the joy of welcoming a new volunteer family to the Day Center: Michelle, her son Sean, and daughter Beatrice. Since their first shift, they’ve returned week after week, bringing warmth and a genuine desire to serve.

Michelle first learned about PFC through her school and saw summer break as the perfect opportunity to give back alongside her children. For her, volunteering has been a meaningful reminder of gratitude: “Seeing the gratitude of most of the people that come through here – that’s my favorite part.”

Sean shared that what stood out most to him is the sense of teamwork and community: “Not just with the guests, but with the other volunteers and staff. Getting to know them and seeing how they run the Day Center is cool.”

Volunteering as a family has added another layer of impact. Michelle appreciates the perspective it offers her kids, while Sean values the shared experience and reflection it brings.

To future volunteers, their message is simple: “Just go for it. It’s easy to get involved and it’s definitely worthwhile and meaningful.”

Michelle, Sean, and Beatrice—thank you for choosing to spend your summer with us. Your presence has made a lasting impression on our guests and our team.

A New Beginning: How YOU Helped Transform Dennis’ Life

For years, Dennis navigated life without a place to call home. After serving in the Army and working at both a bank and the post office, life took an unexpected turn, leaving him without stable housing. But Dennis never lost hope. He knew he had a chance to rebuild—and **Pope Francis Center (PFC) was there to help him take that first step.**

Dennis first came to the PFC Day Center in the winter of 2022, seeking the basics: a warm meal, a place to shower, and a community that cared. What he found was much more.

Through conversations with our team, it became clear that despite staying in a shelter for over a year, Dennis had not received housing navigation services. Because of his kind and patient nature, he never complained—but once we learned about his situation, we immediately took action.

Our team helped Dennis gather essential documents and get on multiple housing waiting lists. But as is often the case, the process was slow. Thankfully, when our **Bridge Housing Campus (BHC)** opened, Dennis was offered a spot as one of our very first residents.

In October 2024, Dennis moved into BHC and

began attending our classes and programs to help prepare him for living independently, including classes in financial literacy, independent living skills, emotional intelligence, and more. Within a month of staying at BHC, everything changed. A unit opened at a veterans’ apartment building near Wayne State, and we helped Dennis navigate the housing system in order to move him along in the process. A few weeks before Christmas, Dennis received the keys to his own home and became the first graduate of the BHC program. He moved in to his new home right before Christmas and spent his first holiday in his new apartment—a place of comfort, stability, and independence.

“I feel happy. Really happy,” Dennis said. “I had a best friend who lived here before, so I already knew the place. It just feels right.”

If Dennis hadn’t come to PFC seeking assistance and guidance, he likely would still be living on the street and navigating the many challenges of homelessness.

Because of the support from generous donors like you, Dennis is embracing his new future. He has a phone, allowing him to stay in touch with his 34-year-old son. He has furniture—a bed, a couch, and a table where he can finally sit and share meals with loved ones. And, most importantly, he has a renewed sense of dignity and hope for a brighter future.

“Throughout my journey, I told myself: Be strong and believe,” Dennis shared. “To all the donors, I just want to say—you are thoughtful and kind. Because of you, people like me get a second chance.”

Your generosity **transforms lives.** Because of you, Dennis now has so much more than shelter - he has a place to call home and a family at PFC that he can always turn to. Thank you for making this dream a reality for Dennis, and for being part of the PFC family. You make all of this possible, and we are so grateful for you.

Partners in Hope: 2024 Donor Community

A gift to the Pope Francis Center is far more than a donation—it’s a tangible act of love and solidarity with our guests. Your generosity helps feed a hungry neighbor, provide warm clothing, open access to medical and legal assistance, and move guests closer to the stability of permanent housing.

Beyond meeting urgent needs, your gift affirms the dignity we all share and the compassion that unites us. Together, we are weaving an ever-growing circle of compassion—one that embraces each person in the light of God’s love, where we are all seen as equal and cherished.

We are extremely grateful for the individuals and organizations listed below, who have contributed a financial gift to Pope Francis Center in Fiscal Year 2024 (July 1, 2023 - June 30, 2024). Your support makes our work possible and empowers people to live their lives with dignity and hope. Thank you, 2024 Donor Community!
